Case No. 5:24-cv-276
Letter Request for an Expansion of the Page Limit for Reply Submissions

Dear Judge Sannes:

We represent the Defendants in the above referenced matter. Given the complexities of this case, the subject matter of Defendants' Order to Show Cause, and the numerous arguments raised in Plaintiffs' response, Defendants respectfully request a short expansion of the ten (10) page limit for reply submissions under Local Rule 7.1 to fifteen (15) pages. We have reached out to Plaintiff's counsel but we have not yet heard whether they will assent.

Please do not hesitate to contact us if you have any questions. We appreciate the Court's time and consideration to this request.

Respectfully submitted,

J.J. Pelligra
